Babylon YOUNG CURATORS

Babylon Young Curator, Olu Taiwo has curated the inspiring exhibition, 'I Matter', at the Babylon Gallery consisting of work created by artists from Black, Asian and minority ethnic backgrounds and communities.

The bird for this creative activity was inspired by the film 'Birds or Borders' by one of the exhibitors, Parham Ghalamdar.

Please decorate me and return me to my flock at the Babylon Gallery, Waterside, Ely so your amazing creation can be shared with our audiences!

If you would like to collect your bird at the end of the exhibition after 13th June 2021, please write your name or attach a label.
