BRIEF

Lyster Grillet & Harding Ltd are a Chartered RIBA Architects practice based in central Cambridge. Established in 1956, the practice has a long track record of designing a diverse range of building types including schools, further education, research and development, private and social housing, pubs, and sports and leisure facilities.

With a particular specialism in education building design, David Carmichael and his colleagues at Lyster Grillet & Harding are passionate about school building design and have assisted many of their clients in realising high quality, exciting and inspirational, yet cost effective school building projects.

Brief Title: **Conceptual House Design**

You have been approached by a new client who wishes to invest in the design and development of an exciting 'ideas'-based project. To this end, this creative brief is free of restrictive aspects, such as budget and regulation. It is all about ideas! Above all, have fun.
